They must be whisper quiet models, have a safety enclosure to keep public from accessing them and follow all Austin Fire Dept. regulations including having proper, and currently inspected fire extinguishers. The event closes right after sundown. There will be some overhead ambient light, but will be relatively dim. You might want to bring solar or battery powered lighting to help with shutdown and final sales of the evening.

Location: Because of the changing map and accessible areas of the park, we cannot guarantee a particular vending location/spot. The Vendor Director and staff will guide you to your spot upon arrival. We ask for your flexibility on space as we adjust to the new venue.

Booth Sharing: Is not allowed. One business per application, please.

Vending Hours: Be prepared to vend until the last act has finished on the main outdoor stage, this may be later than the scheduled closing time of the festival if the stages are running late. You CANNOT bring in your vehicle to load until the public has exited the festival grounds after the final act. The Vendor Director will notify everyone when it is safe to bring in your vehicles. This can be about an hour after the festival closes.

Please email this completed application to: ACFVENDORS@GMAIL.COM by SEPTEMBER 30.

Our Vendor Director will review your application and you will be contacted with a decision on whether or not you have been accepted. Once you have been notified of acceptance, we will send a payment link for payment via paypal. You do not need a paypal account or need to create one to use the link. It will accept credit card payments and check payments. We will also send an address for mailing in a check if preferred. You will not be reserved until full payment has been received.

Fees are nonrefundable regardless of weather or if you decide to cancel.
